Administration

Mr. Sargalski Principal

Congratulations class of 2018! Do you remember meeting for the first time in the hallways during Open House? Or in the auditorium at the beginning of your 6th grade year? I do! It was my first year as the new principal of JFK and you welcomed me with kindness and respect. I was a bit anxious in my new job, but you all made me feel very welcomed. Probably because you were a bit nervous too. But we made it through the last three years together. You embraced the 4 R's, focused on your studies, excelled in academics, played sports, joined clubs, played music, acted on stage, and matured into awesome 8th graders. Make sure you to continue to work hard at the high school. Remember nothing in life that is worthwhile comes easy. There is no replacement for hard work. I know you will succeed. Along the way, don't forget to be kind to one another and have a lot of fun! It was an honor making this three-year journey with all of you. Don't forget to come back and visit.

Best wishes always,

Mr. Sargalski
